نزاعة للشوى

This is evident from the fact that God's commands and their application with my equations and correction of the errors of the other equations revolve around my cell&my section,my grounds,and my positive,my negative,my level,my principles , and in this life not follow them and pursue you in this world and the other and apply punishment by the god, and Hosam mostafa, weapons, and the whole system of the life, and this is done in networks networks,nested loops,and infinite loops.

تدعو من أدبر وتولى

This is clear from the clarity of the greatness of God Almighty and the status of systems of life and governance among people,and the whole system of the life ,all parts of this system, and Hosam mostafa, And

then after all this is followed the punishment for it begins at one point,which represent the starting node of the punishment and its results on the people.

ليس لهم طعام الا من ضريع

The failure to follow the religion of God Almighty in life take it on the body of food is incomplete full of nutrition, taking the right of God Almighty, that is a branch collaborates with other branches in the implementation of the torment of God in the world and the Hereafter.

لا يسمن ولا يغنى من جوع

The unfinished food cycle of life is not conducive to growth and life,and represent point to go back in time of the Disobedience then punishment on them, then go to networks networks,nested loops,and infinite loops of the whole system of punishment in the world and the Herefter.
